We are committed to protecting your privacy and always ensuring the security of your personal information. Our Privacy Policy explains how we collect, use, and safeguard your data.

Type Of Information We Collect

We typically collect the following types of information:

- **Personal Information:** This includes your name, address, contact details, email address, and any other information you voluntarily provide when contacting us, requesting services, placing orders, or filling out forms/contact information on our website
- **Usage Information:** We may also collect non-personal information about your use of our website and services, including IP addresses, browser type, and device information

How we receive information about you

We receive your Personal Information from various sources, this personal information we process is provided to us directly by you for one of the following reasons:

- When you voluntarily provide us your personal details in order to register on our Site
- When you use or access our Site in connection with your use of our services
- From third party providers, services and public registers (for example, traffic analytics vendors)
- From call tracking providers (recorded calls) via Media Hawk or Call Tracking Metrics (CTM)

Why We Collect Personal Information

We use the information that you have given us in order to provide our services to you the 'data subject' as follows:

- To prepare and send quotations for surfacing services (driveways, paths, patios, resin bound, tarmacadam etc.).
- To schedule, manage and execute surfacing work (residential, commercial or industrial) and communicate with you about appointments, progress, updates or completion.
- To maintain records of work carried out, materials used, client communications, service history or warranty/guarantee matters.
- To process invoices, payments and manage our accounts.
- To respond to your enquiries, provide customer support, or handle complaints.

Under the General Data Protection Regulation (GDPR), the lawful bases we rely on for processing this information are:

- We have a contractual obligation
- We have a legal obligation
- We have a vital interest
- We need it to perform a public task
- We have a legitimate interest
- Consent

How We Process Your Information

We process the information collected for the following purposes:

- **Providing Services:** To provide services and communicate with you about your requests
- **Improving Our Services:** To analyse usage data and improve the range and quality of our services and our website
- **Marketing:** We may send you promotional materials, offers and updates about our services

Data Security

We take reasonable and responsible measures to protect your personal information from unauthorized access, disclosure, or alteration. However, please be aware that any method of transmission over the internet or electronic storage is not entirely secure.

Data Retention

We will retain your personal information for 7 years to provide our services, and as necessary to comply with our legal obligations, resolve disputes, and enforce our policies.

- **Job sheets, quotes, project/service records:** retained for **6 years** for audit, warranty, and record-keeping purposes.
- **Health & safety or compliance documentation:** retained up to **40 years** where required under workplace or equipment-safety regulations.
-

After these periods we will securely shred physical documents and permanently delete electronic files in line with GDPR best practices.

Under applicable regulations, we will keep records containing client personal data, account opening documents, communications, and anything else as required by applicable laws and regulations.

How we store your personal information

- Your information is securely stored in password-protected digital systems/backups and, where relevant, in locked cabinets for any paper records. Access is restricted to authorised personnel only.
- Electronic files are backed up and, where required, encrypted.
- Paper records are stored in secured locked storage with controlled access.

Sharing Your Information

We do not sell, trade, or rent your personal information to third parties. We may share your information with our trusted service providers who assist us in delivering our services, however they have an obligation to always maintain the confidentiality of your information.

We may share this information with:

- Payment processors or accounting software providers.
- Website hosting, IT support and analytics service providers.
- Sub-contractors, crews or external labour/suppliers who assist in surfacing projects (driveways, commercial works).
- Call-tracking or analytics providers, if used.

Why we may share this information:

- To process quotations, orders, payments or invoices.
- To coordinate scheduling, crew deployment and delivery of materials.
- To comply with legal, regulatory or insurance obligations.
- To respond to lawful requests from authorities or insurers.

Your Choices

You can opt out of receiving marketing communications from us at any time by following the unsubscribe instructions provided in our emails.

Your Data Protection Rights

Under data protection law, you have rights including:

- Your right of access - You have the right to ask us for copies of your personal information
- Your right to rectification - You have the right to ask us to rectify personal information you think is inaccurate. You also have the right to ask us to complete information you think is incomplete
